The SBARC informal VHF net is called every Monday night at 8pm local time.
Check in on the EOC repeater 147.090 MHz, + 600, no tone required.

Next GENERAL Meeting 7pm Thursday January 21, 2010 at the EOC in
Robertsdale

The Club Christmas Dinner meeting will be held at the Magnolia Blossom Cafe at 22667 Highway 59 in Robertsdale, AL, on Friday December 18 at 6:00PM. The cost is \$15 each for the buffet, including drinks, and gratuity.

I have attached a handbill for a *General Class License* course to be given in Mobile in March, 2010. Two consecutive Saturdays are required, but I think it is a good opportunity to upgrade.
